This authorization form is valid only to initiate a direct deposit of funds to a College Kids Savings Account. Participation in direct deposit is contingent upon your employer or fund originator offering the service and your eligibility to participate.

Direct deposit should take effect within three deposit periods — if you don't see it by then, contact your employer.

Note that some organizations or companies (like Social Security) may require you to use a special form. Contact your employer or income source to make sure no other forms are required.

If you have any questions while completing this form, call your College Kids program coordinator at 314-612-1686.
